Jason Paul Schaefer,  
Defendant.

Motion For  
"Daubert Hearing"

Comes now, Jason Schaefer, Defendant Pro-Se,  
Moving these Courts for a hearing  
pursuant to "Daubert", to test the veracity  
of the scientific evidence collected by the  
Government, including samples of allegedly explosive  
materials. Evidence produced in discovery indicates  
that this evidence lacks substance and would  
prove prejudicial to the defendant. It appears this  
evidence has also been destroyed by the government.

This motion is based on the included attachments  
and the affidavit of Jason Schaefer.

Respectfully submitted to the Courts this April  
10th, 2019.

Jason Schaefer
